

ELBERT BERNAUER
Elbert L. Bernauer, son of Mr. and Mrs. Thomas Bernauer of 20902 Conrad Ave., has been assigned to the U. S. Navy Submarine School in New London, Conn., for training. Bernauer completed basic training Sept. 29 in San Diego. A Carson High graduate, he entered the service last July.

GI Bill Benefits Increased

Veterans now in school under the new GI Bill will soon receive automatic increases in their GI Bill education checks, according to Mort Webster, manager of VA's Southern California regional office.

The new amounts will be included in checks scheduled to arrive in November.

The rate increases were provided in a bill signed into law last month. Single veterans taking full-time courses were increased from \$100 a month to \$130, veterans with one dependent from \$125 to \$155, and veterans with two dependents from \$125 to \$155. An additional \$10 will be provided monthly for each dependent in excess of two.

Proportionately smaller allowances will be paid for part-time training.

Death Toll On Streets Still Low

SACRAMENTO — There were two more traffic deaths in September than during the same month of 1966 but the total for the first nine months of this year is 80 below that of last year, the California Highway Patrol has reported.

By the end of September, 3,416 persons had been killed in traffic accidents, compared with 3,496 for the first nine months of 1966.

During September, there were 433 fatalities, up from 431 a year ago and ending a run of five months in which the number of deaths this year were less than a year ago.

Tract Gets Green Light From Board

Go-ahead for a 213-acre subdivision in the Carson area has been announced by Supervisor Burton W. Chace.

The Board of Supervisors were unanimous in their approval of the new subdivision, located south of 228th Street between Figueroa and Main streets, he said.

The new residential tract will include 137 lots with an average area of 5,000 square feet. Streets, sidewalks, sewers, storm drains, a water system and street lights are included in the plans submitted by R. A. Watt Co. of Gardena, the subdivider.

Hearing on Assessment Plan Slated

County Supervisors have set Nov. 16 as the date to hear arguments on the formation of an improvement district in the Carson area.

According to Supervisor Burton W. Chace, property owners along Doble Avenue can lodge protests to the district at 9:30 a.m. Nov. 16.

The district is proposed to finance construction of sidewalks and driveways along Doble Avenue.
